

# 2016 Pre-Season Discounts

As we approach the end of another great season, we hope you are happy with your Angelic Organics share this year. We love growing your vegetables, and we hope to have you back next year.

We want to make it easier for you to join us with us in 2016 through our special Pre-Season Discounts. Your early signup helps us to plan next year with confidence. Special thanks to those who have already signed up.

**Enjoy Big Savings When You Sign up and Mail this by Monday, Nov 2, 2015.** Receive our extended offer of a \$25 discount celebrating our 25th year as a CSA Farm, in addition to all other applicable discounts listed below.

**Full Share** (20-week) \$50 off what it will cost next spring. Your cost is only \$690 vs the upcoming price of \$740.

**Half Share** (10-week) \$25 off what it will cost next spring. Your cost is only \$375, vs the upcoming price of \$400.

**Flex Share** 12, 14 or 16 deliveries over the 20 week season. Just choose 12, 14 or 16 weeks now, then choose the actual weeks for your preferred deliveries in May of 2016. Your cost is only \$38 per box, vs the regular price of \$40.

**Fruit Share** Ten delivery fruit shares will likely go from the current \$480 to \$500. Sign up now for \$4 per box savings.

**Home Delivery** The value of this service is \$12 per delivery. Through Monday, Nov 2: Sign up for a vegetable share only, the cost will be \$8 per delivery; also purchase a fruit share, the cost will be \$6 per home delivery for both shares.

**Receive Big Savings When You Sign Up and Mail by Monday, Nov 2, 2015.**

# Multi-Year Discounts

Angelic Organics continues to offer you an opportunity to plan way into the future and diversify your investments with vegetable holdings. You can now extend your shares all the way through 2020. The savings offered on these future shares are a bit like zero coupon bonds. We get the use of your money, and, in return, you receive a discount. You save money, have the security of a steady supply of fresh, organic vegetables, and help the farm thrive season after season.

## Notes on above charts:

- Sorry, multi-year Flex Shares are not available.
- Purchase all shares in order. One cannot purchase years 4 and 5 unless one has already purchased years 1, 2 & 3.
- Because we cannot know exactly how much we will be charging for future shares so far in advance, we are projecting their prices based on past trends.
- We are unable to accept credit card payments for these advance share purchases.
- Current multi-year shareholders follow the price schedule below if extending your current shares. Please note on the form the years for which you have already signed up by circling them.
- Multi-year shares are fully transferable. Refunds on the full, unused years of multi-year shares are available before the deliveries for such years begin; transferring or willing shares is preferred.
